RE: Proposed FTC Business Opportunity Rule R511993

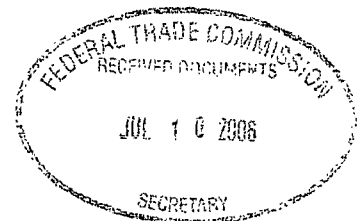

Dear Forever Living Products:

I have reviewed the proposed FTC Business Opportunity Rule, R511993 and the comments you have forwarded to me. As an independent FLP distributor who has developed my business as a result of the opportunity FLP, its products and marketing plan made available to me, I am in complete agreement with the Company's assessment of how that proposed rule, if adopted, could destroy my small business that I have worked so hard to develop.

You therefore have my consent and authorization to submit this letter to any governmental organization that you believe needs to be notified of the very damaging effect the proposed rule would have on my business.

Sincerely,

[REDACTED]
Independent FLP Distributor
